

Trident Group of Institutions

Trident Group of Institutions, one of the fast growing institutes in NCR, was established in the year 2009 with a vision to impart quality education to the students in the field of engineering and management. It is a leading name in the galaxy of professional institutions. It is centrally located on NH-58 Delhi Meerut Highway in Ghaziabad (Uttar Pradesh) at a distance of 16 kms from Delhi. It offers full-time programmes, which are serious, value-driven and rigorous. It has **B. Tech and MBA** programmes that are approved by A.I.C.T.E. and affiliated to Mahamaya Technical University, Noida and **Polytechnic**(Mechanical) that is approved by A.I.C.T.E. and affiliated to Board of Technical Education, Lucknow. B. Tech has branches in Mechanical, Civil, Computer Science, Electronics & Communications & Electrical. MBA Course has specialization in **Marketing; HR; Finance; IT and International Business**.

The professionally oriented programmes offered by Trident are designed to train the students to become well versed and accelerate in their respective fields. Trident has a unique trilogy of students, faculty and learning resources for producing some of the best human capital in the country. Its aim is to impart an unsurpassed educational experience, delivering both knowledge and the ability to use that knowledge effectively in their related professional areas.

The institute has a sprawling campus of 12.5 acres with verdant greenery and idyllic ambience. The institute has a huge infrastructure of towering building, spacious classrooms and laboratories, well stocked fully computerized library with online books and journals along with well spread lawns and playgrounds. Institute is a privileged member of '**DELNET**', the library consortium. The institute has a very rich e-journals library which includes 1873 e-journals on Management & 1152 e-journals on Engineering.

The most prominent feature of the institute is its robust and proactive placement cell supported by experienced personnel from the academics and industry. In last batch of MBA students passing out from our campus we have provided 100% placements to our students. Trident has been selected as **Placement cluster Head for all Mahamaya Technical University affiliated colleges** located on NH-58, Ghaziabad. This cluster comprises of 10 colleges. That speaks a lot about our interface with the industry. In the very second year of our institute, we organized a pool placement for L & T covering the whole of NCR and U.P. In this way we provided job for 57 B. Tech students and 38 diploma students in a leading MNC.

We have a committed team of faculty members who are alumni of IIT, NIT, DCE, BHU and Allahabad University. Institute lays great emphasis on the applied side of technology. As such our students have participated in a number of robotic contest and other technological exhibitions e.g Kshitij 12, IIT Kharagpur; RoboOpus 2012 ,IIT Delhi.

Institute organizes **Technothon** i.e. an exhibition of technological and scientific innovations devised by budding engineers every year. In management side we organize National seminars and symposia on variety of subjects.

Institute organizes every year an annual fest '**UTKARSH**' which encourages participation in lots of sports & co-curricular activities like Chess, Volley Ball, Basket Ball, Race, Badminton, Tug of War, Cricket, Kabaddi, Rangoli, Mehendi, Fashion Show, Dance, Drama, Singing, Kavi

Trident Group of Institutions

Sammelan etc. The eminent luminaries & distinguished scholars from the realm of professional education are invited on the occasion. These kinds of activities infuse an extra capability & confidence for tackling various challenges in life.

We harness the services of country's leading intellectuals to impart education in Personality Development Programme. It empowers our students to face any selection board and varied situations in career as well as life.

We provide reasonable fee structure with benefits of scholarship / Tuition fee reimbursement from Samaj kalyan for eligible students and Scholarships to meritorious students as well. Industrial visits and excursions are also organized by the institute for the students.

Institute has a separate hostel facilities for boys and girls with excellent messing facilities. The campus and hostel are equipped with Wi-Fi facility and air-conditioned labs. The institute has 24*7 power backup and internet facility. Our students have excelled in sports and other co-curricular activities in Inter-college contests.

The institute has a moderate fee structure for both the courses. Even the students from remote hinterland may get the best of professional education at moderate prices. Our **fee structure** is as follows:

For B. Tech Ist Year: Rs. 72,600/-

For MBA Ist Year: Rs. 72,600/-

For Polytechnic Ist Year: Rs. 32,000/-

Other Charges

- **Security Deposit:** All students are required to deposit Rs. 5,000/- as a security (one time only) for B.Tech & MBA / Rs. 3000/- (For Polytechnic) at the time of admission. This money will be refunded as and when student leaves the college for any reason or after completion of his/her course.
- **University Examination fee:** Rs. 3,550/- (For B.Tech & MBA) for Ist Year / Rs. 1000/- (For Polytechnic) will be charged as university Examination Fee. This fee is charged by the University for conducting End semester Theory & practical Examinations during the year.
- **Book Bank Scheme:** Rs. 1500/- will be charged per year for providing book bank facility. Under this scheme students will be provided complete set of text books of all subjects for current as well as for upcoming semesters.

Scholarship Scheme to meritorious students:

-

- **For B.Tech:-** Scholarship of Rs. 10,000/- in fee will be provided to the boys scoring 70% or more marks & girls scoring 60% or more marks in PCM at 10 + 2 level.

Trident Group of Institutions

- **For MBA:-** Scholarship of Rs. 10,000/- in fee will be provided to the aspirants scoring 60% or more marks in graduation.
- The aforesaid scholarship will continue in subsequent years provided the students clear all the papers in first attempt.

In view of the above mentioned salient features of the institute we cordially invite you to come and visit our campus to see what facilities are been given by us to the students. We also call upon you to join us and allow us to impart the best of professional education to the students of your area.

We with heartfelt thanks offer you to associate with us.

Message from the Director General

It has been our endeavor all through that excellence in technical education should be carried out in full earnest. With the globalization of the education and industry, it is a bounden duty on us to nurture young talents in our institutes with a view to equipping them for new challenges in life. This objective can be achieved through ceaseless and incessant efforts only. To achieve the aforesaid objective, we are determined to provide our students with strong learning processes, adequate infrastructure and state-of-the-art technology. Our endeavor remains to inculcate human values and professional ethics in our students. The seriousness of our efforts is reflected through our dedicated faculty members and education friendly ambience in the campus.

An illuminating pathway for an upcoming youth.

VISION: Our mission is to prepare competent engineer, technocrats, management professionals and researchers that will cater to the global work force. Our aim is not only to provide a world class education but also to inculcate in young citizens a progressive and positive attitude towards the betterment of society.

Life at Trident: Provides a healthy environment for ensuring personality development of each student and to enable them in the best of technologies and management practices. The Trident's lively ambience ensures a wholesome participation of students in sports, cultural activities while serving as an idyllic, hangout for fun and frolic.

MISSION: Our motto is to pursue excellence, through commitment & involvement. Our state-of-the-art infrastructure and outstanding faculty are the basis of our dream.

In 21st century we find ourselves in the period of fierce competition and rapid growth for most companies in India as well as abroad. Hence, it has mandatory to groom knowledge workers who can contribute to the success of an enterprise. In this scenario, Trident is leaving no stone unturned to gear up its educational institutions to provide quality education and training that matches with the best of international standards. As the Trident ET Group of Institutions is run by IITians and prominent industrialists, in a short span of four years it has become a centre of excellence to create a pool of highly technical and farsighted professionals with commitment and dedication so that they are able to make a worthwhile contribution to the organizations that employ them.

MBA
College Code-510

Dual Specialization Course

Marketing	Total Intake of 120 seats	Mechanical Engg.	60	Mechanical (Production)	120
Human Resources		Civil Engineering	60	Mechanical (Automobile)	60
Financial Management		Computer Science & Engg.	60	Civil	60
Information Technology		Electronics & Communication Engg.	120		
International Business		Electrical Engg.	60		

B.Tech.
College Code-500

Branch:

Polytechnic
College Code-1143

Intake:

Admission to B.Tech. & MBA and polytechnic are offered on the basis of rank of a candidate in UPSEE, AIEEE, CMAT, MAT, CAT and JEECUP and/or marks in qualifying examination. Opportunity for second year lateral entry in B.Tech. is also provided to diploma holder students and B.Sc. graduates. Direct admissions are also offered as per univ. norms. All programmes are Approved by All India Council for Technical Education (AICTE) Ministry of HRD, Govt. of India, & Affiliated to Board of Technical Education, Lucknow (U.P.) & Mahamaya Technical University (MTU), Noida

Central Library:
Library is well equipped with more than 17500 books on different streams. The library is a member of DELNET Consortium for wider accessibility of information from other prestigious libraries like J.N.U., I.I.T., D.C.E. Library subscribes to more than 1150 international E-journals of engineering and more than 1875 E-journals of management. This gives access to the latest research papers to keep the students and faculty abreast with all the latest development in their field of interest.

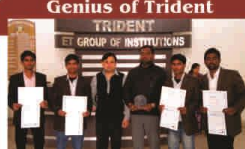

Central Workshop:
A separate workshop block is provided for the carpentry shop, pattern making shop, foundry shop, forging shop, machine tools shop, welding shop, sheet metal shop, fitting shop, smithy shop. The workshop is well equipped with all the modern machinery tools and other infrastructure so that quality hands-on training can be imparted to the students.

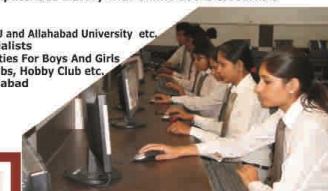

Computer Lab:
Computer lab is fully air-conditioned and equipped with software and latest operating system along with round the clock broad band internet connectivity.

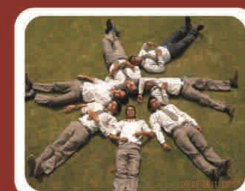

PC Lab:
Professional Communication lab is air conditioned and equipped with latest software to improve English writing and reading skills.

Laboratories:
The institute has laboratories relating to all the departments for example Civil, Electrical and Electronics.

Placement
A proactive and effective placement cell is established which is headed by experienced personnel from industry. The Cell provides guidance and direction in creating the career path of the students. The cell takes utmost care in ensuring student's progress from the moment they join and transforms them into professional asset. Seriousness of our placement efforts was recognized by Central Placement Cell of Mahmaya Technical University, Noida and Trident has been designated as Head of Geographical Cluster of institutions located on NH-58 in Ghaziabad

Location Map

The Trident Group of Institutions is spread over a sprawling large area, in a pollution free zone near Drizzling Land in Ghaziabad city. It is conveniently located on NH-58, Delhi-Meerut road and is easily accessible from Delhi, Meerut, Noida, Gurgaon Faridabad and Ghaziabad railway station and bus stand. The campus has well laid beautiful lawns, embedded with ornamental flower beds which create beautiful scenic panorama. The institute is situated away from the hustle and bustle of city life and thus, enjoys cool and calm surroundings and provides a very serene ambience for learning.
